

N285F

900044-B

Four way ratchet mount. Chrome brass
1" 14TPI male

N285F is a chrome brass four way ratchet mount for installation on any flat surface. The handle allows quick and easy antenna tilt if needed. N285F is equipped with a feed through hole for RG58C/U cable. Screw set is included. This mount is manufactured in premium quality materials in order to prevent galvanic corrosion. The mount is always subject for improvement. The mount has the same rugged design as all other AC Antennas products thus it withstands harsh environmental conditions, both on Sea and Land.
